

# Humboldt Chamber of Commerce

*How may I help you? I'm here for you.  
I've got your back. I'm pulling for you. I'm praying for you.  
I don't want you to go through this alone.*

When friends or family say these things to me it comforts me, gives me strength and motivates me to want to plug on.

If we could just cultivate these feelings and support for one another and for our businesses in Humboldt, I'm certain we would notice an improvement in attitudes, spirits and progress.

In 2011 let's make a concerted effort to be a support system for each other and for Humboldt.
